

Nature's Music (Toddlers or Mixed Age)

Move, Sing, Listen and Play – these are the core areas of Nature's Music. This collection of over 40 activities with 8 or 10 lesson suggestions is perfect for group instruction for [toddlers](#) (ages 1.5-3.5) and an adult caregiver. Lessons are planned for approximately 30 minutes, but can easily be modified for a mixed age class (birth – age 5) for a 45 minute period.

Perfect for a summer session or short session during the school year
