

Cycle of Seasons – Summer (From age 3)

Summer is a musical celebration of the year for young children. This set of music and movement activities, part of our [Cycle of Seasons](#) curricula, includes 10 lesson suggestions for preschool age children, from age three, with or without adult partners.

The classes are filled with a great variety of music and movement activities to meet children's developmental needs, to hold the children's interest in the group setting, and bring families together.
