

Playing Outdoors (Toddlers or Mixed Age)

Playing Outdoors, part of our [Family Music for Toddlers](#) curricula, will bring children and their parents closer together while exploring what is outside. There are songs to sing along about ducks, birds, and boats – just to name a few. There are instrumental pieces that will catch your attention, plus fast tempo music as well as calming, slower relaxing music.

There are 8 structured lessons for children about 15 months to 4 years and caregiver that last 30 to 45 minutes, but have plenty of flexibility and adaptations. Perfect for summer sessions or short sessions during the school year.
