Seashore (Ages 4 and up)

Seashore is part of our [Music Makers: at Home](#) curricula and is planned for children ages 4 years and older. This is a very flexible set of material with two sets of lesson plans, *Camping at the Seashore* and *Going to the Beach*.

Camping at the Seashore's lesson plans are for a 5 day summer camp planned for 2 to 2.5 hours per day, depending on your needs.

Going to the Beach has 8 to 10 sixty minute lessons that can be used in a variety of ways.

Perfect for summer sessions and can also be combined with My Neighborhood Community, [Nimble and Quick, or Twist and Turn](#), during the school year.
